Play Trail

Hop along to the beginning of the trail. It starts by the frog at the front of the wildlife area.

Can you find the six creatures and symbols of nature on our carved wooden posts?

Discover our hidden play spaces. Go on an adventure.

There are lots of places to play at Windmill Hill City Farm, we hope you have fun exploring. Please stay safe, parents and carers, remember, children are under your care. There are some stinging nettles and plants with thorns, so look out for each other while you play.

We have a treasure wall which has tiny people and animals hidden on our wall. Can you spot them?

It's opposite the last play trail post. The post has a picture of a tree on it. Please feel free to add special treasures that you would like to share to the wall.
