

# EASYFUNDRAISING FOR THE FARM

We have found a brilliant way that you can donate to the farm, without having to give us any money! It is super simple to do and you'll make a big difference to our future.

## YOU CAN HELP

When you shop online, the shops/sites you use give Easyfundraising a percentage of what you spend and that is turned into a donation for the farm. It's easy and there's no catch or hidden charges.

You can also register your debit and credit cards, so that when you are high street shopping too, you are helping to generate donations. It doesn't cost you a penny extra!

There are over 3,000 shops and sites that will make a donation to the Farm when you shop with them; including Amazon, eBay, John Lewis, Sainsbury's, M&S, Lakeland, Expedia, and Holiday Extras.

**Step One:** Visit the Easyfundraising webpage and join for free

**Step Two:** Every time you want to shop online, go to Easyfundraising, find the site you want and start shopping as you would normally. It is an extra step but we are hoping that once you are in the habit, it won't make a big difference to you – but it will make a huge difference to us.

**Step Three:** When you check out, Windmill Hill City Farm gets a donation. Hurray!

An easy place to start would be doing your weekly online grocery shopping via Easyfundraising. It would make a huge difference to us. Sainsburys, Tesco, Morrisons, Asda, Waitrose and Ocado have all pledged to donate to us.

Also, if you are booking a holiday, changing energy provider, renewing car insurance or buying bookshelves from Argos, all of these can be done through Easyfundraising.
